

CULTURE DAYS FUNDING ASSISTANCE

Application deadline: April 15, 2019

Culture Days is a collaborative, pan-Canadian movement designed to raise awareness, accessibility, participation and engagement of all Canadians in the arts and cultural life of their communities. This year marks the 10th anniversary of Culture Days, which will take place **September 27, 28 and 29, 2019**. SaskCulture is pleased to offer Culture Days Funding Assistance (CDFA) in support of Culture Days initiatives throughout Saskatchewan.

SaskCulture encourages organizations to incorporate with First Nations and Métis educational activities that have a focus on implementing the Truth and Reconciliation Commission's Calls to Action or other reconciliation efforts. The TRC Calls to Action can be found at:
http://nctr.ca/assets/reports/Calls_to_Action_English2.pdf.

Objectives

Culture Days Funding Assistance is designed to support Culture Days initiatives (activities, events and projects) that engage public participation and inspire future involvement in the cultural life of Saskatchewan communities.

Culture Days Funding Assistance supports:

- activities that will encourage and inspire people to try something new and become a regular participant in cultural activities;
- the hiring of Saskatchewan artists and cultural workers who will engage new audiences and share their skills and talents;
- a wide range of interactive and diverse cultural activities in communities across the province during Culture Days (**September 27-29, 2019**).

Significant priority will be given to projects that:

- will engage new audiences/participants;
- provide excellent opportunities for **hands-on, interactive cultural experiences** for participants, as opposed to activities that are more passive in nature;
- are engaging and accessible – Culture Days activities are to be free to the public;
- projects and organizations not already funded significantly by other Lottery-supported grant programs; and
- contribute significantly to community involvement and/or engagement.

Expenses claimed must be to support eligible activity proposed in the application.

In-Kind Contributions: The value of donations of goods and services do not substitute for eligible expenses and should not be included in the budget. Contributions and non-monetary support for a project can be described in proposal as evidence of community support and partnerships.

The application budget tool is also used in the Follow-Up Report for this grant. This will be available online for you to use throughout your project.
